JANINE'S MISSION

Janine is the original Consciousness Architect and as a Therapist, she is an expert in Post-Traumatic Stress recovery. She also realigns property energy grids. As an enlightened being, her goal is to connect humanity to their ultimate creator known as ONE, enabling people to self-heal. Janine is the only person in the world who is able to literally open portals between her audience and her heart centre; allowing them to release problematic imprints. This is truly a superhuman ability and can be experienced for free via her website.

TREATMENTS & AUDIOS

Janine is a pioneer in her field and offers powerful One to One sessions using guided imagery to help people access their subconscious programs and DNA imprints that are causing them issues.

Janine works on a multidimensional level.

BOOKS & WORKSHOPS

Janine has published 4 books to date, the first is an educational book for beginners/intermediates with 40 chapters on different subject matters. The other 3 books are based on her out of body experiences and astral plane adventures. Janine teaches Astral Projection, Balancing the Masculine/Feminine within, Akashic Records healing and removing Energetic Implants. All of which are important to help us raise our frequency and create a better reality experience.
